INTERNATIONAL SOS

Welcome

Why Should I Call International SOS?

As a member of **International SOS**, you have access to our global network of **26 Assistance Centers**. **There is no fee to call**. This assistance program is designed to help you prepare for your trip (call before you go) and to provide a medical and security resource for you to contact while you are traveling outside of your home country.

Local medical and security expertise provided globally in any language, anytime **24/7/365**.
