SERVICE ACTIVITIES

Service to the School

Member, Undergraduate Curriculum Committee. I helped Dr. Christopher Harris develop a syllabus for a proposed capstone course for undergraduate students to facilitate career success after graduation.

Dissertation Supervisor for doctoral students Michael Mills and Sian Zhu at UMass-Lowell (2023 – Present)

Comprehensive Exam Committee Member for two doctoral students in the UML School of Criminology and Justice Studies (2023 – 2025)

Scholarship Committee Member (2024 – Present)

I have represented the School of Criminology and Justice Studies by meeting with prospective faculty members during the hiring process, doctoral students during recruitment tours, and undergraduate students during Shadow Days, Open House, and Welcome Day. I also represented UMass-Lowell with Dr. Rebecca Dunlea at the UMass Interdisciplinary Legal Studies Colloquium in Boston in 2025.

I have developed relationships with agencies to facilitate student research projects, internships, and careers. These agencies include the Massachusetts Department of Corrections, Massachusetts Probation Service, the Massachusetts Parole Board, the Middlesex County Trial Court, the Middlesex County Sheriff's Office, the Federal Bureau of Prisons, the Maine Department of Corrections, and the Ohio Department of Rehabilitation and Correction. These relationships will be strengthened by ongoing research projects, student tours, and community service opportunities. It is my goal to create an Inside-Out Prison education program at the Middlesex County Jail where UMass Lowell students can take college classes for credit alongside incarcerated students.
