

SiS – Dropping your Classes in Mobile View

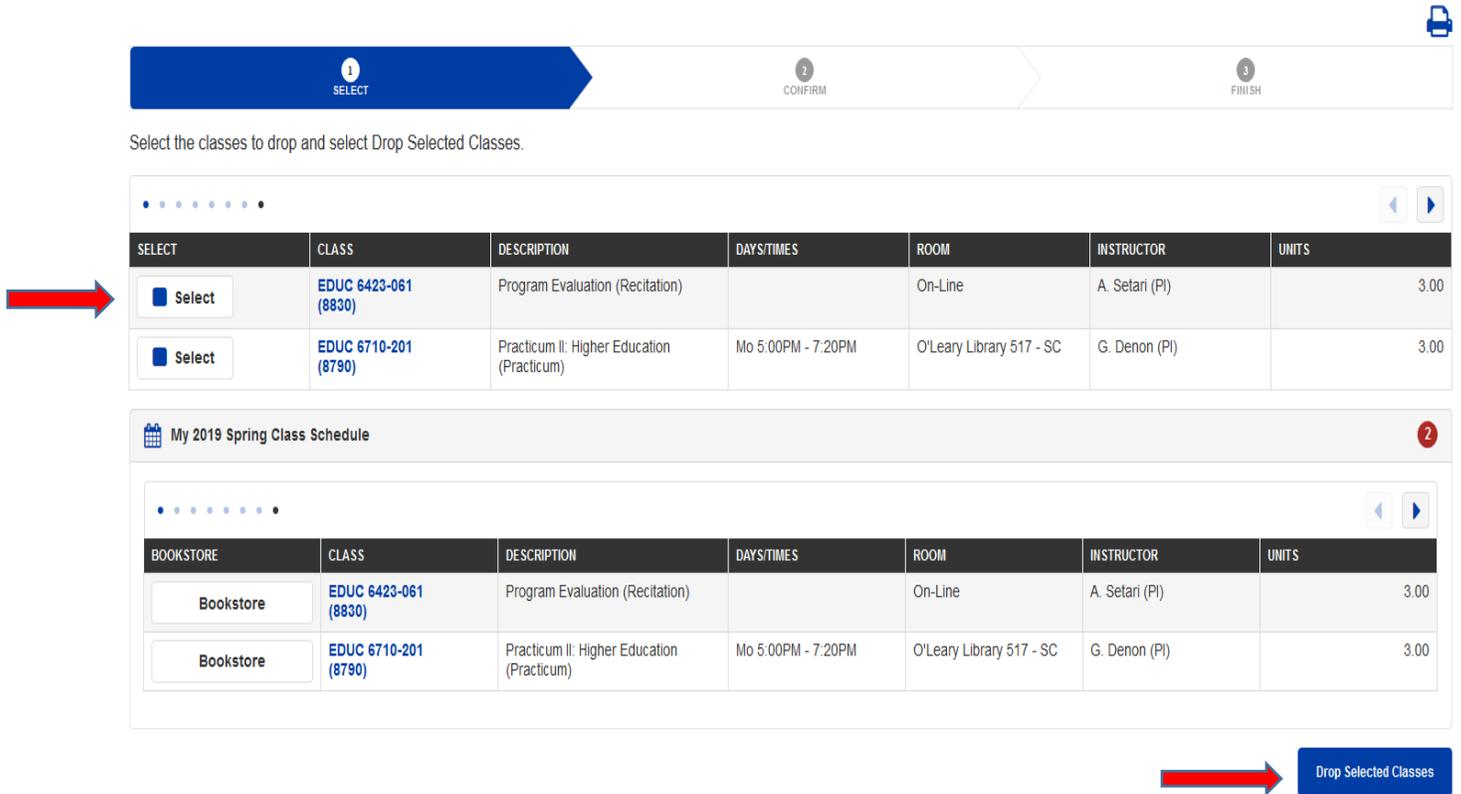

1. Log into Student Self Service (SiS). After logging in, the Student Center page should be displayed.

2. Under the Enrollment heading, select Enrollment: Drop Classes

3. Select the classes you would like to drop and select Drop Selected Classes.

The screenshot shows a three-step process: 1. SELECT, 2. CONFIRM, and 3. FINISH. The 'SELECT' step is active, displaying a table of classes to be dropped. A red arrow points to the 'Select' button in the first row of the table. Below the table is a section titled 'My 2019 Spring Class Schedule' which also displays the same two classes. A second red arrow points to the 'Drop Selected Classes' button at the bottom right.
